The **Bury Meadows Residents Association (BMRA)** is working to identify and help vulnerable people who would like support within our local community during the pandemic. We are also offering support to vulnerable residents of the St James Ward who do not have access to other support from a local residents' association.

## LOCKDOWN SUPPORT

Bury Meadow Residents Association

WEBSITE: www.burymeadow.co.uk EMAIL: info@burymeadow.co.uk

**BMRA** 

## Before volunteering, consider your other commitments, own health and wellbeing to ensure you have enough time to volunteer.

Also, please make sure you read the following NHS guidance related to Coronavirus and tasks you may be volunteering to carry out https://www.nhs.uk/conditions/coronavirus-covid-19/

If you wish to volunteer to help the vulnerable, please email ExeterStJames@gmail.com

**If you need help**, please, in the first instance, contact the Exeter City Council/Wellbeing Exeter Community Response Office at **https://exeter.gov.uk/wellbeing** under the link to **Individuals requesting community support**. They will redirect requests to the appropriate volunteer service, including the BMRA. You can also call Exeter Wellbeing on **01392 265000** (Mon-Fri 9am-5pm, Sat-Sun 9am-12 noon).

Whether you are a volunteer or person in need, it is important to follow official contact guidelines to ensure a safe and effective service. Here are some useful links to help you with this:

- Phone support: Check In and Chat Guide: https://bit.ly/2JQ4JSc
- Community support, such as running errands: https://bit.ly/34iwtbJ

Whether you are a volunteer or someone seeking help, further advice on protocols for ensuring safety on check-in calls, dog walking, shopping and the handling of goods and payments, as well as the collecting of prescriptions and other medicines, is available on the **BMRA website at www.burymeadow.co.uk** which will also include updates on businesses offering home delivery.

## Please remember that if you are in a high risk category yourself, you should not volunteer for services that might expose you to greater risk. www.burymeadow.co.uk
